HIGH DESERT ADVISORS IS MOVING OUR OFFICES
TO A NEW LOCATION

4801 Lang NE
Suite 110
Albuquerque, NM

Effective April 22, we will move our office to a new and more accessible location. Sandia Advisors is joining us in this move.

It is basically at the intersection of Paseo Del Norte and Jefferson, in Albuquerque. At that intersection, go south onto Jefferson and immediately turn east into the parking lot. It is easy to get to from the expressway and from all parts of town.

SAVE THE DATE: On Friday, May 3, please stop by and visit us between 3pm and 5pm. We'd love to see you and love you to see our new "home."

(for those of you not readily in the "NM vicinity", at least you know you are invited to be one of the NM "cowboys" , even if you can't make it!)
